BOT approved 05.12.26

Section 23a of the State Construction Act of 1972, Act No. 230 of the Public Acts of 1972, being Section 125 of the Michigan Compiled Laws, prohibits a person from conspiring to circumvent the licensing requirements of this state relating to persons who are to perform work on a residential building or residential structure. Violators of Section 23a are subject to civil fines.

**Permits are not transferable upon sale or change of ownership.
Open permits will be closed and new permits will be required.**

I agree to abide by all requirements of the mechanical code including calling for inspection before any mechanical work is covered or used, and upon completion, I will accompany the inspector during the inspection when requested by the mechanical inspector.

HOMEOWNER AFFIDAVIT

I hereby certify the mechanical work described on this permit application shall be installed by myself in my own home in which I am living or about to occupy. All work shall be in accordance with the State of Michigan Mechanical Code **and shall not be enclosed, covered up, or put into operation until it has been inspected and approved by the Mechanical inspector.** I will cooperate with the Mechanical Inspector and assume the responsibility to arrange for necessary inspections.
